

Northern Ireland Orienteering
Committee Meeting Bulletpoints
22/01/13

Score and Night – The prizegiving for 2012 will be at Gortatole OEC between the Score and Night events on 23/02/13.

Newsletter - The next edition due beginning of Apr. This will be an 'electronic only' issue. Clubs can download pdf forms and issue to those not already signed up.

RDO – There are major changes in funding policy by Sport NI. The greatest and most regrettable change under this new direction is the loss of the services of NIO Development Officer Helen Baxter. She has, with the assistance latterly of Mark Hudson, and formerly Chris, made significant inroads into expanding schools participation, working with recreation departments of Local Councils, increasing clubs' membership, raising the competitive level of our Juniors, to name but a few tasks and the Committee is pleased to record their appreciation to the team for all their efforts and wish them rest in their "retirement".

World Police and Fire Games -The necessary memorandum of understanding with the Event Organisers have been signed. Liaison meetings continue.

SHI - On Sat 28/09/13 we host Senior Home International with the Individual on Sunday 29/09/13 at Carlingford.
