

The Canoe Association of Northern Ireland has an ambitious four year development plan in place. Now we need two talented people to help us achieve our goals.

### **Participation and club development officer**

Salary: £22,000 per annum  
Location: Based at the CANI office in Belfast  
Working Period: 37.5 hours per week to include regular evening and weekend work

The Participation and Club Development Officer will raise and sustain the levels of participation within canoeing throughout N.I. and in doing so create new opportunities for Schools, Uniformed organisations, people from marginalised areas etc. The post holder will work with CANI clubs to improve canoeing within Northern Ireland, by helping new and existing clubs in their development to ensure long term participation.

### **Performance development officer**

Salary: £15,000 per annum  
Location: Based at the CANI office in Belfast  
Working period: 22.5 hours per week to include regular evening and weekend work

The Performance Officer will deliver key aspects of CANI's development plan and high performance plan and ensure that the targets contained therein are achieved. The person appointed will be responsible for running the junior talent development programmes in the Olympic disciplines and support the non Olympic competitive disciplines.
