

**Results:** are computed from a competitor's best 2 of the following colour coded events:-

Florencecourt	09/03/2014
Slievenagore	29/03/2014
Somerset Forest	12/04/2014

Points: are calculated only for 2014 NIOA members and separately for males and females.  
 The computation is:-  $P = (\text{Standard Time} / \text{Your Time}) \times 100$   
 where Standard Time is that of the 1st NIOA competitor of your gender on the respective course.  
 Membership is indicated by your club appearing against your name.

“\*” against the total = Requisite number of results achieved

Event officials and those unable to compete on their normal colour course if a Home International is taking place alongside receive points equal to their best performance in the other rounds. These are shown shaded.
