

**Results:** are computed from a competitor's best 2 of the following colour coded events:-

Castle Saunderson 25<sup>th</sup> February  
 Woodburn Forest 11<sup>th</sup> March  
 Learmount Wood 1<sup>st</sup> April

Points: are calculated only for 2017 NIOA members and separately for males and females. The computation is:-  $P = (\text{Standard Time} / \text{Your Time}) \times 100$  where Standard Time is that of the 1st NIOA competitor of your gender on the respective course.

Only members results are shown.

“\*” against the total = Requisite number of results achieved

Event officials have received points equal to their best performance in the other rounds. These are shown shaded.
