NISERIES 2026 CURRENT STANDINGS

Results: are computed from a competitor's best 4 of the following colour coded events:-

Castleblaney	1st March
Ballykelly Forest	28th March
Magilligan	17th May
Slieve Croob	20th June
Gortalughany	12h September
Portadown	24th October
Coleraine University	21st November

Points: are calculated only for 2026 NIOA members and separately for males and females.
The computation is:- P = (Standard Time / Your Time) x 100
where Standard Time is that of the 1st NIOA competitor of your gender on the respective course.
Membership is indicated by your club appearing against your name.
"*" against the total = Requisite number of results achieved

If a competitor fails to finish their course they will not be awarded any points but their participation will be recorded and counted towards their required 4 events.

Event officials and those unable to compete on their normal colour course if a Home International is taking place alongside receive points equal to their best performance in the other rounds. These are shown shaded.

If a club championship is held in conjunction with an event and a competitor runs down a colour and wins, they will be awarded 100 points, but their time will not be used to calculate points for the competitors in the lower category. These are shown with an asterisk against the name

colour coding -------- official, etc. class winner no result
