

NISERIES 2026 CURRENT STANDINGS

Results: are computed from a competitor's best 4 of the following colour coded events:-

Castleblaney	1 st March
Ballykelly Forest	28 th March
Magilligan	17 th May
Slieve Croob	20 th June
Gortalughany	12 th September
Portadown	24 th October
Coleraine University	21 st November

Points: are calculated only for 2026 NIOA members and separately for males and females.
 The computation is:- $P = (\text{Standard Time} / \text{Your Time}) \times 100$
 where Standard Time is that of the 1st NIOA competitor of your gender on the respective course.
 Membership is indicated by your club appearing against your name.
 *** against the total = Requisite number of results achieved
 If a competitor fails to finish their course they will not be awarded any points but their participation will be recorded and counted towards their required 4 events.

Event officials and those unable to compete on their normal colour course if a Home International is taking place alongside receive points equal to their best performance in the other rounds. These are shown shaded.

If a club championship is held in conjunction with an event and a competitor runs down a colour and wins, they will be awarded 100 points, but their time will not be used to calculate points for the competitors in the lower category. These are shown with a green highlight.
