NISERIES 2026 FINAL STANDINGS

Results: are computed from a competitor's best 4 of the following colour coded events:-

Castleblaney	1st March
Ballykelly Forest	28th March
Magilligan	17th May
Slieve Croob	20th June
Gortalughany	12h September
Portadown	15th November
Coleraine University	21st November

Points: are calculated only for 2026 NIOA members and separately for males and females.
The computation is:- P = (Standard Time / Your Time) x 100
where Standard Time is that of the 1st NIOA competitor of your gender on the respective course.
Membership is indicated by your club appearing against your name.
"*" against the total = Requisite number of results achieved

If a competitor fails to finish their course they will not be awarded any points but their participation will be recorded and counted towards their required 4 events.

Event officials and those unable to compete on their normal colour course if a Home International is taking place alongside receive points equal to their best performance in the other rounds. These are shown shaded.

If a club championship is held in conjunction with an event and a competitor runs down a colour and wins, they will be awarded 100 points, but their time will not be used to calculate points for the competitors in the lower category. These are shown with a green highlight.

colour coding -------- official, etc. class winner no result
